Ever fancied yourself as Head Coach of an American Football Team. Well now is your chance to test your decision making and managerial skills with Endzone.

You are responsible for team selections, finances, and game tactics, in fact every element of running an American Football Club.

Your aim is to take your team to the very top of the First Division and to win the ultimate football event, the Superbowl, while amassing as much wealth as you can along the way.

There will be 18 matches played in a season, and how your club plays will be up to you.

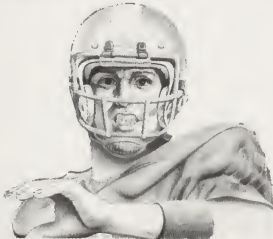

The game itself operates through a series of menus and submenus for easy management.

You also have the choice to save and load your current game position to tape at any point after a match. This not only saves your players status, but the status and position of every team in the two divisions, thus extending your game after days, weeks or even months.

Haben Sie schon einmal davon geträumt, Haupttrainer einer amerikanischen Fußballmannschaft zu sein? Hier ist Ihre Chance! Stellen Sie Ihre Führungs- und Entscheidungsfähigkeit auf die Probe.

Ihr Aufgabengebiet umfaßt die Auswahl der Spieler, Finanzen und Spieltaktik—d.h. alles, was zur Leitung eines amerikanischen Fußballvereins erforderlich ist.

Ihr Ziel ist, Ihre Mannschaft an die Spitze der ersten Liga zu bringen und im größten Fußballereignis den Pokal 'Superbowl' zu gewinnen und dabei so reich wie möglich zu werden.

In einer Saison finden 18 Spiele statt, und wie Ihr Verein spielt, hängt von Ihnen ab.

Der Einfachheit halber wird das Spiel mit Hilfe von Menüs und Untermenüs gesteuert.

Sie haben auch die Möglichkeit, einen Spielzustand zu einem beliebigen Punkt nach dem Spiel auf Band zu speichern. Hierdurch wird nicht nur der Status der Spieler, sondern auch Status und Position jeder Mannschaft in den beiden Divisionen gespeichert, so daß Sie Ihr Spiel nach Tagen, Wochen oder sogar Monaten weiterspielen können.

Hai mai sognato di essere il Mister di una squadra di Football Americano? Questa è la tua grande occasione per dimostrare le tue capacità decisionali e di direzione.

Qui tu sei responsabile per formare la squadra, per elaborare le tattiche, per condurre gli affari finanziari, insomma, per tutti gli elementi che riguardano la gestione di una Società di Football Americano.

Lo scopo è di portare la squadra in testa alla Prima Divisione e di vincere la gara suprema, la Superbowl, arricchendoti più che puoi nel frattempo.

In una stagione ci sono 18 partite da giocare e sta a te decidere come le gioca la tua squadra.

Il gioco opera attraverso una serie di menu e sottomenu, per una più facile esecuzione.

Inoltre, hai la scelta di salvare e caricare la posizione corrente del gioco in qualsiasi punto dopo una partita. Questo non solo salva lo status dei tuoi giocatori, ma anche quello di tutte le squadre nelle due divisioni, estendendo, così, il gioco per giorni, settimane e perfino mesi.
